

Revō Any

Automatic Laminator

Laminating Work Will Be Even Easier!

With one button start, documents can now be **auto-fed**, laminated and **cut** with ease.

Anywhere

Compact size for any space.

Affordable and flexible to fit where you need it. Revo Any's compact size of 24.8" x 20.7" x 11" makes it a perfect choice for schools and businesses.

Any Jobs

Simple operation for all tasks.

The control panel's simple operation makes all tasks easy. Set the paper, press start, and let it laminate.

Anyone

Easy setup for everyone.

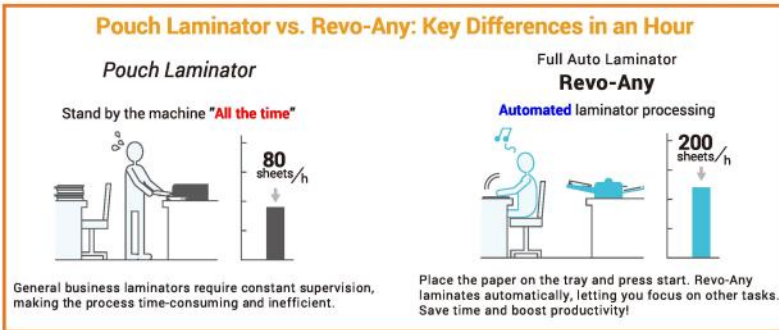

Easy film reloading with a wide-open cover and film-cassette system.

Join the **Revo Revolution** and see for yourself!

The Revo Any is an affordable choice for automatic roll-fed lamination. With a push of a button, set the paper, press start and let it laminate. With its compact size and simple operation, the Revo Any is perfect for the office and school environment lamination needs.

- Compact design fits easily in a school or office environment
- One button push start - will automatically stop when complete
- Over 2x faster than pouch lamination and can process up to 200 sheets per hour
- Easy film reloading with wide open cover and film cassette system
- Feeder holds up to 200 sheets
- Easy setup for everyone - set paper and press start
- Internal rotary cutter for improved safety
- Great for schools, offices and copy shops
